ANNUAL OACDL TRIAL SKILLS ACADEMY

Saturday, March 14, 2015 ~ 5.5 CLE Hours

Trial Skills Workshop Led by Frank Mungo & Michael Streng

With presentations by Frank Mungo, Harley Wagner and Eric Sills

This workshop will help lawyers of all skill levels. The focus will be on cross examination. Various styles of cross examination will be discussed and demonstrated. In the breakouts you will chose the style you want to work on and the skill level you are comfortable with.

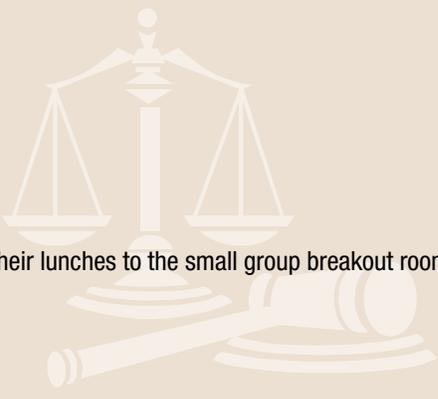

Frank Mungo and Mike Streng are graduates of the Trial Lawyers College (TLC) and will show you how to use a "soft cross" style to get what you need out of a witness.

Harley Wagner has been named to the Teaching Faculty for the National College for DUI Defense and has led trial skills breakouts for the NCDD for many years. He has studied at the feet of the master of cross examination, Terry MacCarthy, and will give us an overview of the MacCarthy (Look Good Cross) method.

Eric Sills is also a member of the Teaching Faculty for the NCDD and has also led trial skills breakouts for the NCDD. Eric also teaches trial skills for the New York State Bar Association and has developed a cross examination style that breaks the rules. He will discuss how you can ask questions you don't know the answer to and open ended questions – if you prepare your cross to incorporate such questions.

The general format for this workshop will be a discussion of the method being studied, followed by small group breakout sessions led by top trial lawyers from around the country where you learn and/or practice the method.

9:30	Sign in, get comfortable. <i>Be in the room by 10:00</i>
10:00 -12:00	Large Group Presentation/Explanation of Method and Demonstrations <ul style="list-style-type: none">• Goals of Cross Examination• Areas of Cross Examination• Styles of Cross Examination• Demonstrations
12:00 -12:30	Break and pick up lunches (Lunches will provided & participants will take their lunches to the small group breakout rooms.)
12:30 - 2:30	Small group / individual workshop
2:30 - 2:45	Break
2:45 - 4:15	Small group / individual workshop

The best lawyers know that to be the best requires brainstorming and working with others on your skills. Because of this, lawyers from all over the country are eager to come and be instructors at this unique trial skills workshop.
